Though this remedy has been but a short time before the public, yet it has gained perhaps more character and reputation as a curative in those discases than any remedy of the day. The Bishop of the Protestant Episcopal church, (the Right Rev. W. R. Whittingham,) authorized us to say he has used it in his own person with decided benefit—Dr. S. Harper, of Kent Island, has written to us, he has used it with great success in his practice [see his letter in the pamphlet.] And in a letter from a lady on the Eastern Shore of this State, she says: "I had a letter from Miss E-on Tuesday; she says mother has requested her to say, Isabel derived almost instantaneous relief from DR. MARTIN'S SYRUP OF WILD CHERRY. Her disease was Consumption in its forming stage.

The Boonsborough Odd Fellow, of Washington county, Maryland, June 20th, 1848, says: "When an article has afforded relief to so many persons as DR. MARTIN'S COMPOUND SYRUP OF WILD CHERRY has done, we feel bound to make it knewn. There never was an article in this country that has afforded relief and gave more satisfaction than this. In the neighborhood of Brownsville, in this county, it has effected several important cures, and, from our own certain knowledge of it, we pronounce it unequalled for the cure of Coughs, Colds, and diseases of this kind."
